## Welcome to Flüüfff 2025!

This year, we're trading in last year's radioactive glow of Toxic Critters for something a little more magical: Forest Fantasy. As you wander through our enchanted woods, you'll find friends both old and new, laughter echoing through the trees, and maybe even a few mythical creatures peeking out from behind the ferns.

As always, this conbook is your trusty field guide. Inside you'll find schedules, maps, panel details, and more. It's the perfect companion to help you navigate the weekend. Whether you're here for panels, dances, dealers, or just the joy of sharing space with fellow furies, we hope you discover the path to your own adventure in these pages!

I want to take a moment to speak directly from the heart: this has been an incredibly rough year, full of challenges and changes. Through it all, our staff and volunteers have shown unbelievable dedication, creativity, and compassion. Every late night, every idea, every ounce of effort they poured into Flüüfff is what makes this convention possible. Personally, I am deeply grateful, not just for the work they've done, but also for standing by me and by each other. They are the spirit that keeps this convention alive. It is their dedication that transforms Flüüfff from an idea into the magic you're holding in your paws and experiencing right now! Please join me in giving them the thanks they deserve.

Lastly, a thanks to you, reading this, for being here. For bringing your energy and creativity, and for making Flüüfff such a special place year after year. Now, let's step into the forest together and see what wonders await!

Flüüfffy regards,  
Jawbreaker, Chairdragon.

# RULES

Don't be an asshole. Always ask for consent before touching someone, especially suiters. Keep an eye out for your friends: we're all contributing to the safety of the convention.

Don't bring booze into the conspace (we'll take this seriously!).  
No drugs! No CBD!

Smoking or vaping is prohibited in the hotel and conspace, except in the smoking room, which is located on the right of the skybridge when entering the conspace.

Have your badge with you and visible at all times. We check them at the entrance of the conspace!

Please take care of your personal hygiene. Shower at least once a day. Don't forget to take time out when you need it (nap, rest, walk in the city,...). Stay hydrated!

We're here to help in case of trouble or emergencies. Stewards wear **pink vests** during their shifts (from 09:00 to 03:00 or last event).

If no one is available, reach out to the hotel. Stewards will be located at the entrance of the con space, at the Dealer's Den, and during some panels!

To see the full code of conduct, please scan this QR code or check the convention website. Thank you for taking the time to check it out. Enjoy Flüüfff and stay safe!

# FURSUITING INFO

## Fursuiting ≠ Consent!

- **Always ask permission** before you photograph, hug, or touch a fursuiter.
- Be mindful of their **limited vision & hearing**. Give them priority in lifts and help them out on staircases & busy places.
- If you notice a fursuiter looking unwell, help them to their room or the fursuit lounge. The fursuit affairs or safety team (**pink vests!**) can help out and get a medic if needed.

- Access to the Fursuit Lounge is limited to con staff, fursuiters & one handler per suiter.
- **No photography or filming is allowed in the Fursuit Lounge.**
- Be respectful for the fursuit dryers. Remove **ONLY your suit**, not others! Do not put feetpaws on the dryer for hygienic reasons. Ask staff if you need a spot.
- A Fursuit Repair Station is available for you to use for quick repairs. Put all the items back & **unplug the glue gun** when you're done using them.
- Only water is allowed in this space. There will be snacks and drinks available for fursuiters. **Please throw away used cups and fursuit straws.**

# FOOD AROUND BRUSSELS

Did you hear that growl? It's not a mystical creature from somewhere behind the trees, but your stomach! If you don't know where to eat while at Flüüfff, here are some nearby suggestions.

## **WOLF** *Wolvengracht/Rue du Fossé aux Loups 50*

 14 min, 1km

A food market perfect for furries! Here you can find food stands with food from all over the world. Italian, Vietnamese, Mexican,... and it even has a microbrewery.

## **NOM POW** *Korteboterstraat/Petite Rue Au Beurre 14*

 7 min, 550m

Korean Fried Chicken, baos, and more Asian noms can be found here! Also has vegetarian options.

## **MANHATTN'S BURGERS & OTHERS** *Henri Mausstraat/Rue Henri Maus 39*

 7 min, 450m

I hope you're ready for mouthwatering hamburgers! You thought we were having steamed hams? It's a regional dialect for hamburgers, despite the fact that they are obviously grilled.

## **RUGANTINO** *Anspachlaan/Boulevard Anspach 184*

 4 min, 270m

This Italian restaurant serves pizzas, pastas, and everything in between. Experience *La Dolce Vita*, only a small walk away from the convention.

## **KEBAP HOUSE** *Zuidstraat/Rue du Midi 124*

 1 min, 70m

If you're looking for the good ol' Kebab, this place has it! Located right at the intersection on the left of the hotel, this location also serves kapsalon, durum, burgers and salads.

## **CHOU SANDO** *Plattestein 4*

 5 min, 450m

Craving a sandwich that's just slightly different? These richly filled Japanese-style sandwiches might hit the spot! Besides sandwiches, you can get donburi and ramune here too.

*Flüüfff is not sponsored by these restaurants.*

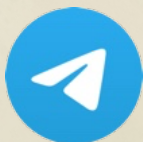

If any of these options are out of your budget or it's rather late in the night, there are also plenty of grocery stores and night shops in the neighbourhood.
